

# iGPUBLISHING

Nursing Knowledge International was established in November 2002 as a not-for-profit organization to serve the knowledge needs of the global nursing community. With headquarters in Indianapolis, Indiana, Nursing Knowledge International is a wholly-owned subsidiary of the Honor Society of Nursing, Sigma Theta Tau International. The Honor Society has more than 125,000 active members worldwide.

The mission of Nursing Knowledge International is committed to providing evidence-based knowledge solutions developed for nurses by nurses. This is accomplished by providing products and services that serve the global community of nurses in its pursuit of health care knowledge, career advancement, and research and continued development of the nursing profession. Nursing Knowledge International assists the nursing profession to improve the health and education of patients and the communities in which nurses practice, lead, teach and conduct research.
