EEWOWW
The Cradle of Ideas

Check Originality while Writing

Check originality of your text at any phase of the writing process. Prevent unintentional plagiarism and avoid unnecessary trouble.

Format Manuscripts with Ease

With article templates and citation styles from world class academic publishers, you can easily prepare manuscripts in the right format and say goodbye to re-submission.

Maximize Visibility

Share your collections privately or publicly, collaborate together, and get feedback from all over the world.

Organize your Ideas

You can organize documents, slides, webpages, bookmarks, even video clips in one place and manage them by folders, notes and tags. Search them in an instant.

Get Inspired from Others

Simply copy and paste citation data into EEWOWW, and you'll get full bibliographic information, abstracts and even full-text!
