登入 **MedicinesComplete** (www.medicinescomplete.com) :

在機構網域內，不需帳號密碼登入，進入網址後會直接進入 **My Account** 畫面。

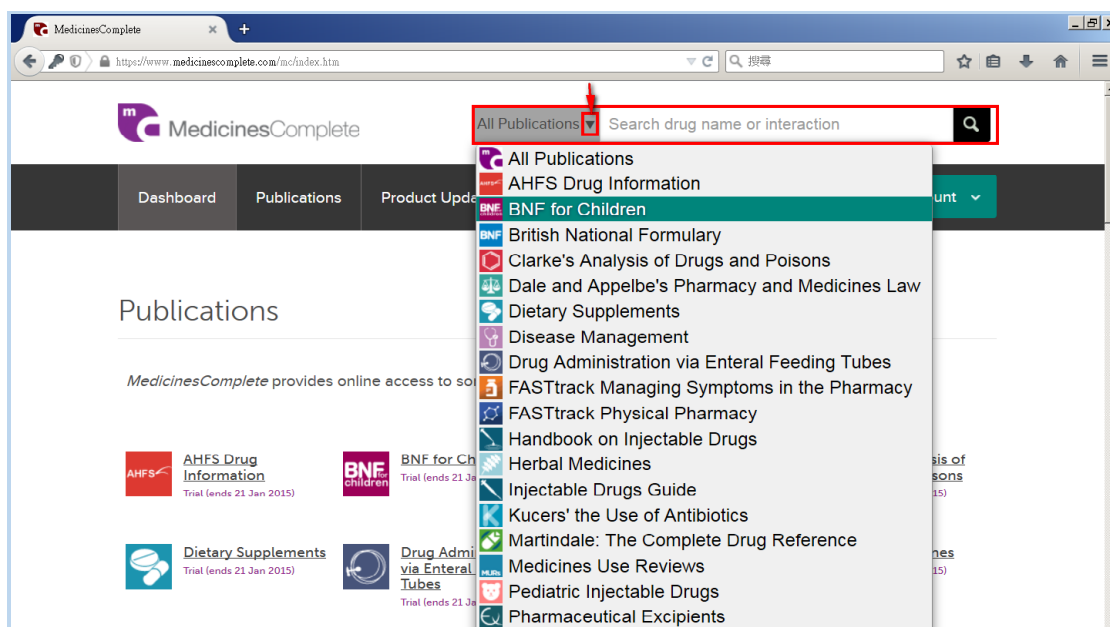

在 'My Account' 裡會顯示 'Publications' (出版品)，此畫面會顯示有訂購的出版品，以及沒有訂購的出版品。

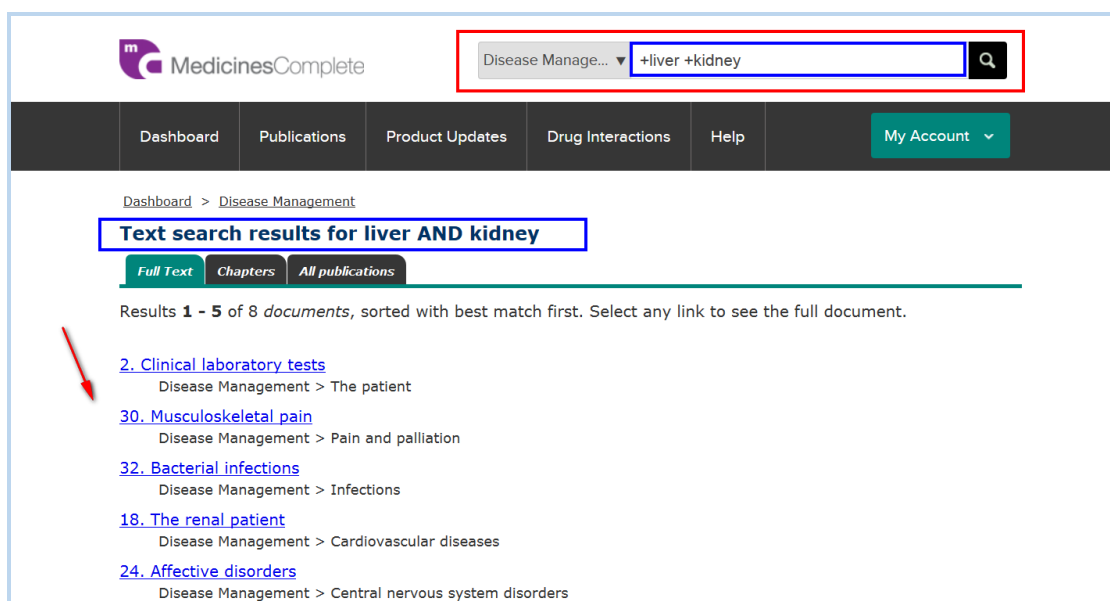

MedicinesComplete 檢索方法：

在檢索框點擊 **All Publications** 向下拉鍵，會顯示訂購的所有出版品清單，選擇某一個出版品後輸入關鍵字做檢索。

關鍵字檢索：

a) 在關鍵字前加上 “+”，如輸入 **+liver +kidney**，便可確實檢索到只關於 **liver** 和 **kidney** 這二者的文獻內容。

b) 關鍵字輸入 **liver kidney**，會檢索到只有 **liver** 或 只有 **kidney** 或 兩者皆有的文獻內容。

The screenshot shows the MedicinesComplete website interface. At the top, the search bar contains the text "liver kidney" and is highlighted with a red box. Below the search bar, the navigation menu includes "Dashboard", "Publications", "Product Updates", "Drug Interactions", "Help", and "My Account". The main content area displays "Text search results for liver kidney" and lists several search results, including "2. Clinical laboratory tests", "30. Musculoskeletal pain", "18. The renal patient", "17. Anaemias", and "15. Heart failure". A red arrow points to the first result, "2. Clinical laboratory tests".

c) 關鍵字輸入片語 (phrase)，把要檢索的片語放在雙引號 “ ”之間，如 “hypertention and heart failure”，便可檢索到有關這部份的文獻內容。

The screenshot shows the MedicinesComplete website interface. At the top, the search bar contains the text "hypertension and heart failure" in quotes and is highlighted with a red box. Below the search bar, the navigation menu includes "Dashboard", "Publications", "Product Updates", "Drug Interactions", "Help", and "My Account". The main content area displays "Text search results for 'hypertension and heart failure'" and lists a single search result, "Arjuna". A red arrow points to the result "Arjuna".

交互作用的檢索：

可以檢索特定的藥物，及二種以上的藥物在同一時間的交互作用。
交互作用的檢索適用的出版品有 6 種：

1. BNF (British National Formulary)
2. BNFC (BNF for Children)
3. Martindale: The Complete Drug Reference
4. Stockley's Drug Interactions
5. Stockley's Herbal Medicines Interaction
6. Stockley's Interaction Alerts

a) 在檢索框點擊 **All Publications** 向下拉鍵，選擇適用於以上 6 種有訂購的任一出版品來做交互作用的檢索，可輸入藥物名稱或藥物群組名稱來做檢索。若要檢索多種以上的藥物，可在檢索框內輸入 10 種藥物，每一種藥物之間用 '空格' (space) 隔開，一次同時最多只可輸入 10 種藥物。

The screenshot shows the MedicinesComplete website interface. At the top, there is a search bar with the text 'Stockley's Drug I...' and 'Citalopram clonazepam'. Below the search bar, there is a navigation menu with options: Dashboard, Publications, Product Updates, Drug Interactions, Help, and My Account. The main content area displays 'Text search results for Citalopram clonazepam'. There are three tabs: Full Text, Interactions, and All publications. The results section shows 'Results 1 - 6 of 6 documents, sorted with best match first. Select any link to see the full document.' The first result is titled 'Benzodiazepines and related drugs + SSRIs' and includes a detailed text description of the interaction between fluoxetine and benzodiazepines. A red arrow points to the title of this result.

b) 系統會針對所輸入的多個關鍵字來做特定交互作用的配對檢索

The screenshot shows the MedicinesComplete website interface. At the top, there is a search bar with a dropdown menu set to 'Stockley's Drug I...' and the search term 'herbal alcohol whiskey'. Below the search bar, there is a navigation menu with options: Dashboard, Publications, Product Updates, Drug Interactions, Help, and My Account. The main content area displays the search results for 'herbal alcohol whiskey'. A red box highlights the search bar and the search results section. The search results section shows 'Text search results for herbal alcohol whiskey' and a button for 'Full Text'. Below this, it states 'There is 1 document.' and lists a result: 'Alcohol + Liv 52'. A red arrow points to the link 'Alcohol + Liv 52'. The result description states: 'Liv 52, an Ayurvedic herbal remedy, appears to reduce hangover symptoms after drinking, reducing blood-alcohol and acetaldehyde levels at 12 hours. However Liv 52 also raises the blood-alcohol levels of moderate drinkers for the first few hours after drinking.'

專題報告檢索 (Monographs) :

有些出版品會有專題報告關於藥物或草藥的命名、使用、加藥、注意事項及禁忌、副作用和管理。一些出版品也會有關於藥物或草藥的成份、化學結構、交互作用等資訊。

a) 在檢索框輸入藥物或草藥關鍵字，畫面會顯示多種類型的 tag bar (標籤欄)，點擊 **Monographs** 進入。

The screenshot shows the MedicinesComplete website interface. At the top, there is a search bar with a dropdown menu set to 'Herbal Medicines' and the search term 'alcohol'. Below the search bar, there is a navigation menu with options: Dashboard, Publications, Product Updates, Drug Interactions, Help, and My Account. The main content area displays the search results for 'alcohol' under 'Herbal Medicines'. A red box highlights the search bar and the search results section. The search results section shows 'Monographs search results for alcohol' and a button for 'Monographs'. Below this, it states 'Results 1 - 10 of 162 monographs, sorted with best match first. Select any link to see the full document.' and lists several results: 'Table 1. Summary of recent trials of echinacea preparations in the prevention and treatment of the common cold and other URTIs', 'Bistort', 'Prickly Ash, Northern', 'Rosemary', and 'Aloes'. A red arrow points to the link 'Table 1. Summary of recent trials of echinacea preparations in the prevention and treatment of the common cold and other URTIs'.

b) 點擊某個專題報告項目 (Monographs)進入後，顯示的資料有：目次、檢索框、及 See Also 搜尋功能。

The screenshot shows the MedicinesComplete website interface. At the top, there is a search bar with 'Herbal Medicines' selected and 'alcohol' entered. Below the search bar is a navigation menu with options: Dashboard, Publications, Product Updates, Drug Interactions, Help, and My Account. The main content area shows a breadcrumb trail: Dashboard > Herbal Medicines > Monographs > B. The title of the page is 'Bistort'. Underneath, there is a 'Sub-sections' list with links for: Summary and Pharmaceutical Comment, Species (Family), Synonym(s), Part(s) Used, Pharmacopoeial and Other Monographs, Constituents, Food Use, Herbal Use, Dosage, Pharmacological Actions, and Side-effects Toxicity. To the right of the main content is a 'See Also' section with links for: Herbal Medicines, Euphorbia, Stockley's Herbal Medicines Interactions, and Bistort. A search bar at the bottom of the page contains the text 'alcohol'. Annotations in Chinese are present: a vertical box on the left says '專題報告目次' (Table of Contents of Special Report); a box in the middle says '利用 See Also 功能，可以任意在各出版品間搜尋資料' (Using the See Also function, you can search for information in various publications); a box below it says '小提示：在此頁面用 CTRL+F 也可做關鍵字檢索' (Tip: You can also use CTRL+F on this page to search for keywords); and a box at the bottom left says 'alcohol'.
